# FIWrida KidCare

**About Florida KidCare.** Through Florida KidCare, the state of Florida offers health insurance for children from birth through age 18, even if one or both parents are working. It includes four different parts. When you apply for the insurance, Florida KidCare will check which part your child may qualify for based on age and family income:

■MEDIKIDS: children ages 1 through 4.

■HEALTHY KIDS: children ages 5 through 18.

**CHILDREN'S MEDICAL SERVICES NETWORK:** children birth through 18 who have special health care needs.

■MEDICAID: children birth through 18. A child who has other health insurance may still qualify for Medicaid.

**Enrollment.** Except for Medicaid, a child must be uninsured before Florida KidCare coverage starts. Some Florida KidCare programs may have limited space, and applications are accepted on a first-come, first-served basis. When MediKids, Healthy Kids and the Children's Medical Services Network are full, enrollment for these programs will close. Medicaid is always open for children who qualify. Florida KidCare does not exclude a child with a pre-existing health condition from coverage.

**Ways to Apply.** If you applied for Florida KidCare before, call 1-888-540-5437 to update your information by telephone.

■APPLY ONLINE: www.floridakidcare.org

■PAPER APPLICATION: Please print your answers. Use blue or black ink, fill out the application form and mail it as soon as possible.

#### **APPLICATION INSTRUCTIONS**

#### **SECTION 1. PARENT OR GUARDIAN INFORMATION**

**SOCIAL SECURITY NUMBER (SSN):** An adult's SSN on the application is optional. If provided, Florida KidCare uses the SSN for computer matches with other agencies and contractors and it may help speed up your child's application processing.

We will not share your information with the United States Citizenship and Immigration Services (USCIS).

**EMPLOYER INFORMATION:** Write your work telephone number and employer's name on the application.

If you have more than one job, list each employer's name. If you are self-employed, write "self-employed." If you are not employed, write "unemployed."

# **SECTION 2.** CHILD INFORMATION

This information helps Florida KidCare determine if your children might qualify for lower cost or no-cost coverage.

- ■Answer the shaded questions in Section 2 for each child who lives with you. For an unborn child, write "unborn" in the First Name box and answer Relationship to Parent Two and if you are applying for Florida KidCare. Leave the rest of the questions blank for the unborn child. After your baby is born, call Florida KidCare to give the rest of the application information.
- ■Answer all of the questions in Section 2 only for each child who needs Florida KidCare health insurance.

**CHILD'S SOCIAL SECURITY NUMBER (SSN):** If you have an SSN for your child, write it on the application. SSNs are used to do computer matches with other agencies.

If your child does not have an SSN, write the date you applied for or tried to apply for an SSN on the application. To apply for an SSN for your child, call the Social Security Administration at 1-800-772-1213. If you have access to the Internet, go to www.ssa.gov for help applying for an SSN.

IMPORTANT PUBLIC CHARGE INFORMATION:

What you tell us about your child's citizenship status is confidential. Florida KidCare will not share anything you tell us with the USCIS. Information about a parent's immigration status is not needed to apply for Florida KidCare.

A child's enrollment in Florida KidCare does not harm anyone's application for citizenship or legal permanent resident status.

Choose A or B and write in the first box in the "Race" section on the application: A=Hispanic or Latino

**DOES YOUR CHILD HAVE HEALTH INSURANCE NOW?** Except for Medicaid, a child must be uninsured before Florida KidCare coverage starts.

If your child has health insurance from your employer, check with your employer about your health benefit plan and its requirements before you apply for Florida KidCare. Your plan may allow you to make coverage changes only at certain times in a year.

If your child has other health insurance now, write the name of the health insurance company and the amount you pay for the health insurance each month. If your child only has accident insurance, disability insurance or a discount medical card, then answer "No" to this question.

**VOLUNTARY CANCELLATION OF CHILD'S HEALTH INSURANCE:** If you canceled your child's health insurance in the last 2 months for one of these reasons, then answer "no" to this question:

- **8.** The coverage does not cover the applicant child's health care needs.
- **9.** The applicant child's coverage ended because the child reached the maximum lifetime coverage limit or an annual benefit limit.
